ST. PAUL

P. O. Como Station

PHONE Midway 0679

Not Open for Business on Sundays

April 10th to May 10th nursery is open evenings until 9 P. M. except Saturday when we close at 5:30.

LOCATION

Our Nursery is located midway between Minneapolis and St. Paul on Larpen-
teur Avenue (County Road "A") known as East Hennepin Avenue from Minneapolis,
and Eustis Street. Take Como-Harriet car to Eustis Street and walk two blocks
north to Nursery. Those coming by automobile from Minneapolis will find East
Hennepin Avenue paved to our Nursery. From St. Paul follow Snelling Avenue to
Larpen-
teur Avenue (County Road "A") one half mile north of the Fair Grounds,
turning to left one and one-half miles to Nursery, pavement all the way. For further
directions see road map in catalog.

PLANTING SEASON

Spring, generally April 1st to May 10th. Fall, October 1st to November 1st.
If customers will kindly place their orders as early as possible, it will greatly aid us in
making prompt deliveries, when the proper time for deliveries arrives. Twin City
orders delivered free, providing they amount to \$2.00 or more; otherwise a charge
of 50 cents will be made to cover cost of delivery.

PLANTING

Forty Per Cent Additional For Planting

We greatly prefer to have our customers do their own planting, but where this
cannot be done, we will have our experienced men do the planting for 40 per cent
extra, providing the order amounts to \$10.00 or more, otherwise we cannot do the
planting. Where black soil is needed, customers will kindly see that same is fur-
nished, or an additional charge will be made for securing same.

Planting booklet furnished with all orders.

GUARANTEE TO REPLACE

We guarantee to replace, free of charge, any nursery stock purchased direct
from us at prices listed, that dies before October 1st after planting, providing in-
structions for planting, pruning, watering and care of nursery stock given in our
Planting Booklet are followed and dead stock reported to us before October 10th.
Prompt payment must be made in full or above guarantee is void.

AGENTS

We do not employ agents in Minneapolis or St. Paul. Customers will find our
prices 35 to 50 per cent lower than firms employing agents.

LANDSCAPE SERVICE

Our Landscape Department will be glad to assist you with any planting problems
you may have. Our season for planting in this climate is comparatively short and
for that reason we request all customers needing the services of our Landscape
Department to get in touch with us now before our outdoor planting season opens.
The fact that there is snow on the ground will not interfere with our studying your
problem and it will enable us to start planting for you just as soon as the ground
opens up.

SPECIAL OFFER

We offer the following special prices on stock required to plant the plans given on inside back cover of Catalog under TYPICAL PLANTING PROBLEMS.
